

Town Clerk Report 04.10.22

Youth Sessions at the Recreation Ground

Sadly, the last session for the season for youth took place last night at the skate park. I want to thank everyone who has supported this initiative and it has been hugely successful. We can build on this now and hopefully find a venue for once a month winter lessons and start again next summer outside.

Play Area, Recreation Ground, Lymington Road

The repairs for the play area are now almost complete and the ropes that need replacing are being manufactured ready to be fitted to the multi play unit.

Westgate NDP

The Regulation 16 consultation is now underway and run by Thanet District Council and hard copies of all the Submission documents are available for inspection at the Town Council office and Westgate Library. The Regulation 16 Consultation is running until 27th October.

Pop Up Café and Information Hub

The Rural Kent café is visiting Westgate again on Thursday 6th October, this is a friendly drop in and they have free cake and tea or coffee.

Memorial – B-24 Liberator Plaque

A local contractor has offered to install the memorial for free so the Town Council just needs to buy the materials for the task. I am checking with the Planning team at Thanet District Council to ensure we do not require to apply for planning permission before the Memorial is installed.

Scout Visit to the Town Council

The local Scout Group contacted the Town Council and asked for assistance with their World Challenge Badge – they are asked to choose an aspect of local community life and find out as much as they can about it and local government was chosen. They were keen to learn about the role of the Town Council and the projects, events and initiatives that we work on. It was a well attended and fun evening and it was great to speak to the future potential Town Councillors for Westgate.
