

RECYCLE YOUR PRINGLES® CANS!

The Pringles® Can Recycling Programme helps us to recycle your Pringles® cans and turn them into new products such as fence posts and benches.

Not only are you helping the environment, but the Pringles® cans you recycle with us also helps charitable causes*.

The more you recycle, the better it is for the environment!

* TerraCycle® will credit participants with TerraCycle® points when shipments of Pringles® cans weigh at least 1kg (approximately 19 cans). These points can be redeemed for charitable donations. Payments to charities are made twice a year.
