

THE SPONTEX® DISPOSABLE GLOVES RECYCLING SCHEME

Every year, disposable gloves end up in landfills across the United Kingdom. We are working with TerraCycle® to put an end to this enormous waste and loss of resources.

The Spontex® Disposable Gloves Recycling Scheme allows us to recycle disposable gloves, keeping them out of landfills and instead giving them a second life and new purpose.

Not only are you helping the environment, but the waste you recycle with us also helps to fund schools or organisations.
